

PDF Unlocker — Test Document

This is a sample, UNPROTECTED PDF for testing PDF Unlocker.

Try it two ways:

- 1) Add password (web 'Add password' tab, or POST /api/v1/lock)
-> you get a password-protected (AES-256) copy.
- 2) Remove password (web 'Remove password' tab, or POST /api/v1/unlock)
-> give the password you set, get an unlocked copy back.

Suggested test password: test1234
